

Cole Bryan is the Executive Director of the Dream Center Golden Triangle. The Dream Center is a faith-based charitable organization that finds and fills the needs of struggling people from all over the United States. Since 1994, thousands of individuals and families have found hope and healing through the programs that only the Dream Center offers. The Dream Center aims to not only meet the immediate needs of communities, like providing food and clothing, but also focuses on the full successful transformation of people's lives, all free of charge. We will do this by providing long-term residential, physical, spiritual, and emotional care and support to get them on the road to recovery and healing.
